1 Q. So in terms of the plaintiffs who are involved  
2 here, do you know anything about the National Shooting  
3 Sports Foundation?

4 A. The National Sports Shooting Foundation [sic]  
5 is a plaintiff in this case?

6 Q. Yep.

7 A. I did not -- I did not know that.

8 Sorry, can I ask which -- because this is four  
9 consolidated cases, which is the case that involves the  
10 National --

11 Q. The National Shooting Sports Foundation --

12 A. Yeah.

13 Q. -- that's the prior plaintiff, and then -- I  
14 think there's a gun store involved, and then the  
15 National Shooting Sports Foundation.

16 A. That's -- yeah, sorry. I don't mean to cut  
17 you off.

18 Yeah, I did not realize that. I guess I  
19 should have looked fully at the list of plaintiffs.

20 Q. Yeah.

21 A. Yeah, I didn't know that, no.

22 Q. Do you know anything about that organization?

23 A. I do. I've actually cited their reports and  
24 the declaration of their former I think research  
25 director has been cited in some of my -- I don't know

Page 27

1 if it was this case, but it's been cited in certainly  
2 other declarations that I've done.

3 Q. And the citation to their data was for what  
4 reason?

5 A. In terms of AR and AK platform rifles that are  
6 in circulation in the United States among civilians and  
7 the kind of ownership patterns of those rifles.

8 Q. Oh, so the national sales data that they  
9 track? Is that what you mean?

10 A. So they don't -- good question. So they don't  
11 track necessarily national sales data on AR and AK  
12 platform rifles. What they do track are two things,  
13 and it's done in two kind of separate reports. One is  
14 kind of ownership patterns: Who's buying AR and AK  
15 platform rifles, why are they buying them, what is  
16 their -- you know -- you know, what -- in what -- like  
17 what is the ownership rates per owner. And by that, I  
18 mean, like, do they own one, do they own two, do they  
19 own more than two. So that's one kind of set of  
20 reports that --

21 And if I can call it the NSSF to make it  
22 simpler?

23 Q. Yeah.

24 A. Yeah, so that's one set of reports that the  
25 NSSF has put out. And it's appeared in -- that kind of
